

## IFPSM

### ABOUT THE IFPSM

The International Federation of Purchasing and Supply Management (IFPSM) is the union of 48 National and Regional Purchasing Associations worldwide. Within this circle, about 250,000 Purchasing Professionals can be reached. IFPSM facilitates the development and distribution of knowledge to elevate and advance the procurement profession, thus favorably impacting the standard of living of citizens worldwide through improved business practices. The term procurement is taken to embrace purchasing, materials management, logistics, supply chain management and strategic Sourcing. IFPSM is a non-political, independent and non-profit oriented International Organization.

### VISION OF IFPSM

IFPSM is recognized as the international federation that facilitates the development and sharing of the practice of the purchasing and supply management profession, wherever it is practiced, through our network of member organizations.

### OUR MISSION OF IFPSM

To increase the ability of IFPSM's network of member organizations to be more effective in serving our members and the profession
