Q. 10. CASE STUDY

Globally it has become very competitive in every part of business. We see the same in every business here in India too. In Retail sector, there are many leading players already in India which have come up in last decade or little more. Some of them have died in a matter of 3-5 years and remaining are bringing many changes, innovations to attract many customers, and to lead in their business. They too have competition from the large players from Abroad, who have entered into Indian market in last 1-2 years and have pumped in large investments, to lead and compete with their counter part in Indian business. Big Bazar is one such Indian Retail player who have established well since many years and have been good share of the market in their Retail.

1. As per you what is the success story of Big Bazar?
2. In today's market, what is the strengths and weaknesses of BIG BAZAR as per you?
3. What need to be done by BIG BAZAR, to hold on to their success, in next 2-5 years?
4. Do you feel BIG BAZAR will be in a position to hold onto the tough competition, with huge investments from Players like D MART, FLIPCART, SNAPDEAL, AMAZON?
5. Do you feel it is time for BIG BAZAR to diversify or close down?
